After School program

Εδώ μιλάμε ελληνικά!

ABOUT THE PROGRAM:

The Hellenic Orthodox Life Academy - HOLA- is a new innovative after- school program that meets daily and gives students the opportunity to engage in educational fun activities while practicing the Greek language. The program offers a range of academic components: culture, language, arts, recreation and fitness, which allow children to grow physically and socially while connecting with their Greek heritage. The Hellenic Orthodox Life Academy is committed to providing a safe nurturing after-school program with the highest quality of instruction.

YOUR CHILD'S DAY

HOLA meets daily from 3:00pm to 6:00pm. Children meet in the program's central holding area where attendance is taken, can enjoy their snack from home, and homework is done. The activities begin at 4:05 pm, following the after-school program of William Spyropoulos. Children gather at the same area once the program ends. There are a number of enrichment classes offered for each semester. The programs described in this flyer indicate the appropriate grade level for each class. Many courses have a limited number of spaces. All applications are entered in the order that they are received by the church office.

PROGRAM CLOSINGS

- Whenever the William Spyropoulos Day School is closed HOLA is closed.
- If the school cancels other school activities, HOLA is also closed.
- The HOLA program may also be closed due to inclement weather.

For this reason, make sure that all emergency numbers are kept updated.
